EDUCATION

Washington & Lee University (W&L) **Lexington, VA**

Bachelor of Science in Economics | Minors in Entrepreneurship and Philosophy | GPA: 3.8 *Class of 2028*

- Relevant Coursework: Managerial Finance, Econometrics, Entrepreneurship, Micro Theory, Buddhist Economics
- Awards: Writing Award for *"The Monster Was Never In Your Closet"* – 1 out of 8 students selected from 400+ applicants

PROFESSIONAL EXPERIENCE

Mountaingate Capital **Denver, CO**

Private Equity Intern *May 2026 – August 2026*

- Built a three-statement model with bear, base, and bull DCF cases, public comps, and a sum-of-the-parts analysis on a public connected-fitness company; defended investment thesis in live presentation and Q&A to Mountaingate team members
- Supported diligence across 5+ live platform and add-on processes; reviewed CIMs, QoE analyses, customer retention data, and flagged open diligence questions for the deal team
- Mapped a 300+ company software partner ecosystem for a portfolio company add-on search; scored acquisition fit and partnership fit for each relative to theses, risks, and diligence questions
- Built and presented an acquisition recommendation, covering business model, financials, thesis, risks and mitigants
- Built and presented an AI implementation playbook and persistent web reference for associates and VPs, covering 10+ deal-team workflows with embedded risk governance guardrails and security considerations

AMB Investment Banking **Remote**

Target Client Research Intern *May 2025 – September 2025*

- Conducted research on PE firms and built target lists aligned with sellside and buyside objectives
- Delivered timely summaries that assisted AMB's industry research, pitch materials, and go-to-market strategies

VENTURE AND LEADERSHIP EXPERIENCE

Ascend **Lexington, VA**

Founder, Student Productivity and Recruiting Platform *January 2026 – Present*

- Independently developed a class venture beyond MVP into a live PWA, owning product design, development, and deployment
- Won ~$3,000 in development funding from the Entrepreneurship Society; placed top 10 of ~120 ventures

The Answer Movement App **Louisville, CO / Lexington, VA**

Co-Founder and Product Lead, Daily Wellness Practice App *March 2026 – Present*

- Led product for a 28-day wellness practice PWA built around a patented training device; launched to 240 users (3 countries)
- Built and leading App Store roadmap: native rebuild, content pipeline, device integration; ahead of schedule for January 2027
- Placed top 10 of ~120 ventures at the W&L Entrepreneurship Summit

Connolly Entrepreneurship Society **Lexington, VA**

Member *January 2026 – Present*

- Selected to develop a startup idea, build pitch decks, and present progress to secure funding
- Commit 10+ hours weekly to research, product design, web development, and alumni mentorship

RWEsearch & Health Innovation Summit - HealthArk

Student Guest Speaker *September 2025*

- Selected to speak at a 2,800+ participant, 13-country global summit, presenting on how AI can democratize education

Sigma Chi Fraternity, Zeta Chapter **Lexington, VA**

Rush Chair *August 2025 – Present*

- Manage rush budget, event logistics, outreach, and new member evaluation for group decisions
